

YOLO Clinic Quality Policy

YOLO Clinic Management System is founded by a team of healthcare professionals and technology enthusiasts to revolutionize clinic management that could simplify the entire clinic workflow, making healthcare more accessible and enjoyable for both practitioners and patients.

YOLO team is ready 7/24 to support, train, offer instant support our customers and work alongside to get the key workflows up to speed.

We are committed to implement a Quality System in accordance with the requirements of the international standards (ISO 9001:2015/ISO 13485:2016) and continuous improvement of the effectiveness for the Quality Management System by periodically reviewing the objectives and quality policy, we will work with confidence to achieve this through:

1. Serving the customers with the high quality and efficiency that meet their requirements and needs, which aims to increase their satisfaction and exceed their expectations.
2. Providing appropriate training to our employees and other relevant personnel.
3. Implementing and understanding the quality policy by all employees
4. Providing a framework for establishing and achieving the Quality Objectives
